Affiliate Sales Partner

1. OUTREACH & PROSPECTING STRATEGY

Q1. Target Selection: PurePulse focuses on SMBs needing modern, fast sites. If handed your affiliate link today, what 3 local business types would you target first and why?

Score:

Q2. Cold Outreach Comfort: Much of affiliate outreach involves walking into storefronts, calling, or direct messaging owners. How comfortable are you initiating cold conversations?

Score:

Q3. Pipeline & Follow-Up: How do you organize your daily prospecting list and follow-up cadence so potential referrals don't go cold or get lost?

Score:

2. VALUE PROPOSITION & HANDLING OBJECTIONS

Q4. Value Framing: How would you explain the value of a custom website to a brick-and-mortar store owner who says: "I already have a Facebook page, so I don't need a website"?

Score:

Q5. Price Resistance: When an owner states that web design is too expensive or not a current priority, how do you steer them toward ROI and customer acquisition?

Score:

3. WORKFLOW, TOOLS & LEAD QUALIFICATION

Q6. Platform & Tracking: Our affiliates use an online dashboard to generate tracking links and monitor payouts. How comfortable are you navigating web portals and digital tools?

Score:

Q7. Lead Qualification: What key questions will you ask a business owner upfront before submitting them to make sure they are genuinely ready for a new website?

Score:

4. DRIVE & EXECUTION

Q8. Self-Discipline: Affiliate partnerships are performance-driven and independent. How do you plan to structure your weekly schedule to hit outreach numbers consistently?

Score:

5. QUICK ROLEPLAY: LOCAL BUSINESS OWNER PITCH

Scenario: Interviewer acts as a local auto repair / restaurant owner. Candidate gives a 60-90s introduction to spark interest and capture contact info.

Score:

Evaluation Area	Positive Indicators (Green Flags)	Concerns / Flags (Red Flags)
B2B Communication	Professional, consultative, listens well, clear pitch.	Overly robotic script, talks over client, strictly retail cashier focus.
Outreach Drive	Proactive, comfortable walking in / calling, resilient.	Expects leads provided, timid, easily discouraged by 'No'.
Tech & Value Clarity	Articulates custom design ROI; comfortable with links.	Unable to navigate basic portal/links; overpromises tech.
